

Call for Workshop Proposals

Workshop proposals are solicited for ASPLOS-2015 in Istanbul, Turkey. Workshops will be held on March 14, 2015 (Saturday) and March 15, 2015 (Sunday).

Proposals in the interplay between programming languages, computer architecture, operating systems, and user interfaces to deal with power, performance, resilience, and programmer productivity issues in **emerging** areas such as datacenters and cloud computing, systems based on non-volatile memory technologies, large scale data analysis, smart infrastructure, and extreme scale computing are encouraged.

Submission Deadline : November 14, 2014

Notification : November 21, 2014

Please include in your proposal

- Title of the workshop
- Organizers and their affiliations
- Sample call for papers
- Duration - Half-Day or Full Day
- Preferred Day - Saturday or Sunday
- If the workshop was previously held, the location (conference), date, and number of attendees

Please send proposals to Augusto Vega (ajvega AT us.ibm.com), Haluk Topcuoglu (haluk AT marmara.edu.tr) and Alper Buyuktosunoglu (alperb AT us.ibm.com) via email

Feel free to contact Augusto Vega or Haluk Topcuoglu or Alper Buyuktosunoglu if you have any questions about the suitability of a workshop for ASPLOS or for any other related matters.
